**Project Description**

- Opportunity for multiple harvesters in 4R3Pn and 3KL to collect mackerel samples between June and October
- Each sample will consist of at least 150 mackerel, randomly selected
- Samples must be frozen and remain frozen until pickup by DFO/FFAW techs
- Extra fish beyond the 150 mackerel may be kept by the harvester for personal use/and or sale (limit of **300kg** per sampling event)
- Compensation includes an honorarium per sample; \$2,150 per sample fished by handline/jigger and \$1,230 per sample fished by gillnet

**FAX OR EMAIL: 709-576-1521 TO THE ATTENTION OF IAN IVANY or [iivany@ffaw.ca](mailto:iivany@ffaw.ca)  
SUBMISSION DEADLINE OF FRIDAY, MAY 10<sup>TH</sup>, 2024**
